## Sweet Prattle Lines

Thursday, March 5, 2021

We had another great night of exercises, singing and business.

Visitor: Stephanie Doster

Plans for Regional Celebration: We will not be doing a video, instead it will be an audio reading of the poem with a Power Point presentation of what we did this past year. Each person is asked to send Mary:

1. A picture of yourself showing something you enjoyed doing during this covid year: gardening, new grandchild, hobby, etc. and seascape or bridge you may have that was taken locally.
2. If you aren't listed below, record your lines of the poem and send to Kris. When recording:
  - a. Start recording
  - b. say: Number(your number on the poem plan Kris sent),
  - c. say your name
  - d. Count 4 seconds
  - e. Read with expression your lines
  - f. Count 4 seconds
  - g. Stop recording
  - h. Send to Kris

Sunday, March 7, the following people plan to record at Evelyn's house, 253 NE Chambers Ct., Newport. If you aren't listed and want to record with us, let me know and plan to come at 2:00.
